Executive Summary

> A brief, high-level summary of the exercise and key findings for executive stakeholders. Keep to 1-2 paragraphs.

Key Statistics:

Metric	Value
TTPs Tested	
TTPs Detected	
Detection Rate	%
Avg Time to Detect	min
Critical Gaps Found	
Action Items Generated	

Top Findings:

1. [Finding 1]
2. [Finding 2]
3. [Finding 3]

Detailed Findings

Finding 1: [Title]

Attribute	Details
Severity	Critical / High / Medium / Low
Category	Visibility / Detection / Response / Process
Related TTPs	
Status	Open / In Progress / Resolved

Description:

> [Detailed description of the finding]

Evidence:

> [Screenshots, logs, or other evidence]

Recommendation:

> [Recommended remediation steps]

Finding 2: [Title]

Attribute	Details
Severity	Critical / High / Medium / Low
Category	Visibility / Detection / Response / Process
Related TTPs	
Status	Open / In Progress / Resolved

Description:

> [Detailed description of the finding]

Evidence:

> [Screenshots, logs, or other evidence]

Recommendation:

> [Recommended remediation steps]

2. [Lesson 2]
3. [Lesson 3]

What Could Be Improved

1. [Improvement 1]
2. [Improvement 2]
3. [Improvement 3]

Recommendations for Next Exercise

1. [Recommendation 1]
2. [Recommendation 2]

3. [Recommendation 3]

Next Steps

#	Next Step	Owner	Timeline
1	Schedule follow-up meeting to review action items		
2	Assign owners to all action items		
3	Schedule retest after remediation		
4	Plan next purple team exercise		

Appendices

Appendix A: Detailed TTP Logs

[Include detailed execution logs, timestamps, and evidence for each TTP]

Appendix B: Detection Rule Changes

Rule	Change Type	Before	After
	Created/Modified/Deleted		

Appendix C: Supporting Screenshots

[Include relevant screenshots from the exercise]

Appendix D: Raw Data
